# Bubble Thoughts: Community Guidelines

**Title:** Bubble Thoughts – Community Guidelines

### 1. The Golden Rule: Respect the Bubble

Anonymous doesn't mean "accountable-free." We believe in the power of words.

- **Be Kind:** Critique ideas, not people.
- **Empathy First:** Remember that behind every "Bubble" is a human being with real emotions.

### 2. Content Standards

To maintain a healthy feed, the following are **strictly prohibited**:

- **Hate Speech:** Content that promotes violence or hatred based on religion, caste, gender, or disability.
- **Harassment:** Targeted bullying, "doxing" (revealing someone's real identity), or persistent unwanted "Pings."
- **Explicit Content:** Bubble Thoughts is a space for ideas; graphic or pornographic material will be removed immediately.
- **Spam & Scams:** Do not use the platform for phishing, unauthorized advertising, or spreading malicious links.

### 3. Intellectual Property Integrity

- **Respect the "Only Me" Tag:** If a user has marked their thought with ©, do not screenshot or redistribute it for commercial gain.
- **Originality:** We encourage you to share your own thoughts. If you share a quote, try to credit the original source.

### 4. Safety & Reporting

We empower our community to self-regulate:

- **The 15-Report Rule:** If you see something that violates these guidelines, hit the  **Report** button. Once a post hits 15 reports, it enters our "Review Zone."
- **Self-Care:** If a conversation in the **Connect** feature makes you uncomfortable, end the chat. Your mental well-being is the priority.

### 5. Zero Tolerance Policy

Bubble Thoughts reserves the right to:

1. Remove any content that threatens the safety of our users.
2. Permanently ban accounts that repeatedly violate these guidelines.

3. Cooperate with law enforcement if content violates the **Information Technology Act of India**.
