Bubble Thoughts - Privacy Policy

Bubble Thoughts (“we”, “our”, “the Platform”, “the Team”) respects your privacy and is committed to protecting your personal information.

This Privacy Policy explains how your information is collected, used, stored, and protected when you use the Bubble Thoughts platform.

1. Information We Collect

When you create an account or sign in to Bubble Thoughts (including via Google Sign-In), we may collect the following information:

- Your display name (nickname or name received from Google)
- Your email address
- Your unique Google account identifier (Google ID) when you use Google Sign-In
- Your posts, comments, reactions, and chat messages created within the platform
- Basic technical information required for secure login and session management

We do **not** collect your Google password.

2. Use of Google Sign-In

If you choose to sign in using Google:

- We receive your name, email address and Google unique ID from Google.
- We use this information only to authenticate you and create or manage your Bubble Thoughts account.
- Bubble Thoughts does not access, store, or control your Google credentials.

3. How We Use Your Information

Your information is used only for:

- Creating and maintaining your user account
- Allowing you to post, comment, react, and use the Connect and chat features
- Enabling platform features such as notifications, reporting, and moderation
- Improving platform functionality, security, and performance
- Preventing misuse, fraud, or violations of our community policies

4. Data Storage and Security

We take reasonable and appropriate technical and organizational measures to protect your information.

In particular:

- Personal chats within the Connect feature are automatically encrypted after 24 hours.
- Access to user data is restricted to authorized platform administrators only for operational and security purposes.

However, no online system can be guaranteed to be 100% secure.

5. Sharing of Information

We do **not** sell, rent, or trade your personal information.

Your information is not shared with third parties except:

- When required by law, legal process, or government authority
- When necessary to protect the rights, safety, and integrity of Bubble Thoughts and its users

6. Public and Anonymous Content

Bubble Thoughts is designed as an anonymous platform.

- Your public thoughts and posts do not display your real identity by default.
- Content that you choose to make public may be visible to other users of the platform.
- You are responsible for the content you choose to share.

7. Data Retention

We retain your account information and platform content only for as long as your account remains active or as required to:

- operate the platform,
- comply with legal obligations,
- resolve disputes,
- and enforce our policies.

8. User Responsibilities

You are advised not to share sensitive personal, financial, or confidential information through posts or messages on the platform.

Bubble Thoughts cannot be held responsible for personal data voluntarily disclosed by users in public or private content.

9. Changes to This Privacy Policy

We may update this Privacy Policy from time to time.

Any changes will be reflected on this page. Continued use of the platform after updates indicates your acceptance of the revised policy.

10. Contact Information
